## TRIBUTE

SONOMA MOUNTAIN ESTATE

Biodynamics<sup>®</sup> is the highest form of organic farming in the world. It goes beyond the elimination of all chemicals. It incorporates the environment in and around the vineyard to produce wines of authenticity, place and ultimately passion.

**2001 TRIBUTE**  
Sonoma Mountain  
Benziger Estate Vineyard

80% Cabernet Sauvignon, 12% Cabernet Franc, 6% Petit Verdot, 2% Merlot

**AROMA** Blackberry jam, cassis, black olive and coffee.

**MOUTHFEEL** Rich, concentrated and round. Supple, ripe tannins are integrated throughout the entire experience.

Tribute was aged for 2 years in French oak (35% new), bottled for 1 year before release and not filtered or fined. It is the best wine ever made from the property and the first Demeter-certified Biodynamic wine from Sonoma and Napa Counties. Demeter is a third party certifier of traditional Biodynamic practices. The certification is extremely difficult to achieve, must be renewed every year and is the ultimate guarantee of purity in the production of agricultural products.
